Writer-actor Curt Clonginger takes us on a comic and dramatic expedition into our misconceptions about God.

For over twenty years, Curt has made people laugh, cry and think about their views of God. Now his classic performance of "God Views" has been shot live as theater-in-the-round, with some new characters and surprises. If you've seen his original version of "God Views," you'll love this new one. If not, you're in for a treat!

This DVD is great for group discussions!
